Honorable David M. Lawson
Magistrate Judge David R. Grand

Plaintiffs,

v.

GENERAL MOTORS, LLC,

Defendant.

ORDER EXTENDING SCHEDULING DEADLINES

The parties separately filed motions to extend certain scheduling deadlines. They subsequently filed a stipulation setting forth a consensus proposal for schedule adjustments. The

Court has considered the parties' requests and finds that they have shown good cause to adjust certain deadlines established by the supplemental case management and scheduling order.

Accordingly, pursuant to the stipulation of the parties (ECF No. 133), it is **ORDERED** that the deadlines established by the supplemental case management and scheduling order are adjusted as follows. All fact discovery must be completed **on or before September 30, 2021**. The plaintiffs' expert disclosures under Federal Rule of Civil Procedure 26(a)(2) must be served **on or before October 9, 2021**, and the defendant's expert disclosures must be served **on or before November 10, 2021**. All discovery related to class certification must be completed **on or before November 24, 2021**. Motions challenging experts relating to class certification must be filed **on or before December 4, 2021**. The plaintiffs' motion for class certification must be filed **on or before February 7, 2022**.

It is further **ORDERED** that the parties' motions to extend deadlines (ECF No. 124, 127) are **DISMISSED** as moot.
